REVEL PRESENTS SEAL ON JULY 20

***Tickets for the Grammy Award-Winning and Multi-Platinum Singer and Songwriter's North American Tour to Go on Sale on April 14***

REVEL BEACH, Atlantic City, N.J. (April 11, 2012) – [Revel](#), the \$2.4 billion entertainment destination, welcomes the Grammy Award-winning and multi-platinum selling artist **Seal** to Ovation Hall on **Friday, July 20 at 8 p.m.** The concert, which is a stop on the singer-songwriter's North American tour, will include live performances of fan favorites and songs from his eighth studio album, *Soul 2*, which debuted in the Top 10 on the Billboard charts.

"I love my fans and I love the connection I have with them when I perform live," said Seal. "I can't wait to bring this show to North America."

Ovation Hall, designed by Scéno Plus, creates an elevated concert experience for more than 5,000 fans by making the expansive space feel decidedly intimate. Every seat has an unobstructed view of the performer and a state-of-the-art sound system puts the audience in the center of the action with immersive audibility.

*Soul 2* finds Seal joining forces once again with legendary producer Trevor Horn (*Seal, Seal II, Human Being*) who shares production duties on the album with *Soul* producer David Foster (*Soul, Commitment*). This time Seal brings his silky, inimitable voice to a lush collection of romantic soul classics primarily from the '70s, including those by Marvin Gaye, Bill Withers, Al Green, and Teddy Pendergrass, among others.

Over the course of a remarkable career that spans more than two decades, Seal has won four Grammy Awards and sold more than 20 million albums worldwide, enjoying success across numerous genres of music. His emotional, romantic love songs, such as "Prayer For the Dying," the Grammy Award-winning "Kiss From A Rose," and "Don't Cry" (all from 1994's *Seal II*), and "Love's Divine" (from 2003's *Seal IV*), delighted fans and earned him critical acclaim. He has also seen great success in the dance/pop music world beginning with his roots in Britain's house music/rave scene with his debut 1991 album and returning to those roots with 2007's dancefloor-friendly *System*. In September 2010, Seal released his seventh studio album *Commitment*, which peaked at No. 11 on the U.K. chart giving Seal his fifth Top 20 album in his native Britain.

Tickets go on sale on **Saturday, April 14, 2012 at 10 a.m. EDT** at all Ticketmaster locations, online at [Ticketmaster.com](#) and by calling 800-745-3000.
